Letter from the President

Dear NCCEA Members,

2009 has proven to be a difficult year for many as our state continues to struggle with the economic climate. Our Association remains strong in its commitment to serve you, our members. Due to the state of our current economy, the 2009 Executive Board made the decision to deliver a webinar in a virtual format so that our members will have an opportunity to participate this year at no cost. The Program Committee is working diligently to provide you with an excellent webinar, which is scheduled for early November. You will be receiving additional information in the upcoming weeks regarding the webinar, the voting process for the 2010 Executive Board, and the membership drive. The Awards Committee has already provided you with the nomination process and forms, and awaits your nominations. I look forward to reconnecting with you in November!

Respectfully yours,

Elizabeth Brashear
NCCEA President

Ask an Auditor

Did you know that community college Co-op personnel can get a written answer to a Section 20 question online?

- Go to http://www.nccommunitycolleges.edu/Program_Audit_Services/index.html
- Click on “Areas Within Audit Services”
- Select “Ask a Question?-Question for Audit Services” to submit.

Your question will be answered internally by all of the auditors. The Executive Director will select the best response and send it to you directly. Try this out and email Jill Lutz, jill.lutz@cpcc.edu, if you would like your question/response published in a future newsletter.

NCCEA Spotlights
